ALLEGIANT PARTNERS SELECTS ASPIRE™ FROM LEASETEAM, INC.

OMAHA, Neb., (March 10, 2011) – LeaseTeam, Inc., the premier solution provider in the equipment and finance marketplace, is pleased to announce Allegiant Partners has selected its cutting edge, end-to-end lease and loan management solution.

The driving force behind Allegiant’s decision to partner with LeaseTeam was ASPIRE’s highly configurable, workflow based architecture, and the ability to use it in an on-demand environment resulting in a reduction of operating costs and improved, stream-lined processes. “Implementing LeaseTeam’s new ASPIRE platform gives us the reliable framework needed to effectively manage our data and processes, allowing us to shift our main focus to growing our business,” Chris Enbom, CEO of Allegiant Partners, said.

In this economy, businesses need internal efficiencies to drive profitability and productivity. “Allegiant Partners chose our end-to-end solution to manage their deal-flow more efficiently and effectively,” said Randy Haug, senior vice president at LeaseTeam. “Delivering a reliable end-to-end solution in an on-demand environment gives Allegiant the peace of mind needed to focus their attention on what they do well, which is originate business and manage their portfolio.”
