BLUE BRIDGE EYES CONTINUED GROWTH, SELECTS ASPIRE FROM LEASETEAM

OMAHA, Neb., (March XX, 2016) – LeaseTeam, Inc., the premier solution provider in the equipment leasing and finance marketplace, is pleased to announce that Blue Bridge Financial, LLC (“Blue Bridge”), a direct lender and national provider of small business financing, has selected ASPIRE as its end-to-end lease and loan management platform.

Recently recognized as the fastest growing company in Western New York, Blue Bridge provides simple lending alternatives to traditional funding. The company has grown more than 300 percent in the previous two years and was in need of a seamless technology solution to support its continued growth. ASPIRE was chosen following a thorough search of integrated front- and back-end systems because of its immense scalability and customization.

“Because of our aggressive growth, it was vital that our new system not only keep up with our current level of success, but also help us build on it and even exceed it,” said Blue Bridge Founder and CEO Mark DeBacker. “ASPIRE’s configurability lends itself well to our strategic growth initiatives, from both a product support and volume support perspective.”

“As Blue Bridge has shown by achieving such a remarkable level of growth in such a short amount of time, consumers are eager for alternative ways to obtain financing in today’s marketplace,” said LeaseTeam Executive Vice President Jeff Van Slyke. “We’re excited to partner with Blue Bridge and provide the technology to help make their forward-thinking business strategy a reality.”

About Blue Bridge Financial, LLC
