### **LeaseTeam, Inc. is Proud to Announce its 25-year Anniversary**

**OMAHA, Neb.**, (February 19, 2014) – LeaseTeam has been providing quality software and business solutions to companies in the equipment finance and leasing industry for over a quarter-century. A quarter-century of growth, fueled by well-designed systems, product innovations and investment in new technologies, has positioned LeaseTeam to be the premier solution provider in the equipment and finance marketplace.

According to Russ Hallberg, president and co-founder at LeaseTeam, "Advanced technology and a progressive customer-centric vision have defined the LeaseTeam difference over the past 25 years and will continue to do so going forward. As a technology-driven company, we have gone the extra mile to implement innovative, productivity-enhancing features/functionality into our software and services."

According to Randy Haug, senior vice president and co-founder, "Our business has changed with time; however, our vision has remained constant. We have always been, and continue to be, committed to delivering industry leading solutions through thought leadership and innovation that continually exceed expectations."

Haug continues, "We're proud to have built a long-standing company that still functions on our original core values. Our employees are more dedicated than ever, and we continue to be energized and enthusiastic about the equipment finance industry. Gratitude and thanks to all our clients, partners and friends in the industry who have contributed to our success. We're excited to celebrate the success of these past 25 years, and we're looking forward to the next 25."
