RIVER CAPITAL SELECTS LEASETEAM'S ASPIRE™

OMAHA, Neb., (July 7, 2015) – LeaseTeam, Inc., the premier solution provider in the equipment and finance marketplace, is pleased to announce that River Capital Finance, a provider of equipment leasing solutions to clients ranging from small and midmarket to Fortune 100 companies, has selected ASPIRE™ as its end-to-end lease and loan management system.

River Capital began evaluating new lease and loan management solutions to help ensure it could continue to offer the best possible customer experience, with the goal of enhancing processes through workflow automation, improved transparency and reporting options.

“We pride ourselves on offering personalized service paired with flexible financial solutions and quick funding turnarounds,” said Matt Kennedy, president of River Capital. “Maintaining this business model is very important to us, which is why we decided to make a switch to LeaseTeam’s ASPIRE lease and loan management solution. ASPIRE’s end-to-end platform offers us the workflow automation, reporting and transparency we need to continue growing our business, while continuing to offer a top-notch customer experience with up-to-the-minute data.”

“We’re very excited to add River Capital to our growing list of ASPIRE customers,” said Jeff Van Slyke, executive vice president at LeaseTeam. “River Capital is built on a relationship-driven approach and it shows in the longevity of their client relationships. ASPIRE’s workflow and automation capabilities will help support their desire to continue evolving their processes and services in order to best serve their clients.”
