LEASETEAM, INC. AND eORIGINAL PARTNER TO IMPROVE CONTRACT SECURITY AND REDUCE PROCESSING TIMES

OMAHA, Neb., (October 8, 2012) – LeaseTeam, Inc., the premier solution provider in the equipment and finance marketplace, and eOriginal Inc., a leader in electronic signatures, vaulted repository and electronic transaction management solutions, are pleased to announce their new partnership. LeaseTeam will now provide electronic signature and transaction management capabilities within their ASPIRE solution.

“We are excited to add electronic signature capabilities to ASPIRE. We are continually looking for ways to help our customers become more competitive and efficient with their processes. Adding electronic signature capabilities to ASPIRE is just one more step in achieving that goal,” said Dan O’Malley, vice president of software development at LeaseTeam. “eOriginal’s solutions have been seamlessly integrated with ASPIRE to greatly enhance the document work flow and improve contract compliance.”

“We’re thrilled to be working with an industry leader, such as LeaseTeam, and look forward to getting feedback from leasing companies who are beginning to use our newly integrated solution. We are confident that a fully electronic leasing transaction will simplify the origination process and help companies close business faster and more effectively. It’s always a pleasure to work with a partner dedicated to providing a combined solution that businesses can adopt quickly,” said Bryan Caporlette, chief technology officer and chief operating officer at eOriginal.

Companies interested in taking advantage of this new joint offering, or looking to receive additional information about the LeaseTeam and eOriginal combined solution, should contact Bryan Hunt at (402) 493-3445.
