LTi Technology Solutions Sponsors 2nd AFPA Trust Cycle Ride

OMAHA, Neb., (August 18, 2020) – LTi Technology Solutions (LTi), a leading provider in asset finance software solutions, is excited to announce today that it is sponsoring and organising the 2nd annual AFPA Trust Cycle Ride.

The LTi sponsored event is crucial in helping the Asset Finance Professionals Association (AFPA) achieve core fund raising goals and gives them the ability to donate to various charitable projects throughout the community.

The registration for the LTi Technology Solutions AFPA Trust Cycle is open for signup. The event will take place on Thursday, 1st October 2020. The 50/60-mile route is perfect for any rider level with two achievable climbs. The route also includes descents and plenty of beautiful green rolling countryside to enjoy during the ride. The course map is based on the Marlow Red Kite 50 Mile Route. It will begin with a gentle climb out of Marlow and finishing at The Marlow Club, where a relaxing shower in the club facilities and cakes in the café will restore any sore legs!

Robert Taylor, UK Country Manager of LTi, said, "With the LTi Technology Solutions AFPA Trust Cycle, we want to continue the tradition of creating a phenomenal experience for cyclists – both veterans and beginners – as well as raising money for charitable projects for our communities. We are excited to do all of this while we experience the beautiful stretches of land from the Chilterns."

Registrations may be made through the AFPA website:
2nd AFPA Trust Cycle, Red Kite Ride Hosted by LTi Technology Solutions

About AFPA
AFPA was formed to support the UK Asset Finance and Leasing industry and those professionals who work within it. The AFPA vision is to give back (through our time, our experience, our thought leadership, mentoring and coaching) to all Asset Finance professionals, local communities and good causes. For more information, visit https://www.afpatrust.com/about/.
