JDR Solutions Strategically Partners with LTi and their ASPIRE Platform

OMAHA, Neb., (January 13, 2020) – LTi Technology Solutions (LTi) is excited to announce that JDR Solutions has strategically partnered with LTi to offer servicing to their customers on the ASPIRE platform. JDR represents more than \$8 billion in assets while offering portfolio management, consulting, collections, and professional services.

The ASPIRE platform allows JDR to offer a wide variety of products and services to its customer base. Having an all in one solution will offer a better customer experience as they will no longer be limited by past software challenges.

“We’re excited to be partnering with LTi Technology Solutions to host and provide portfolio management service for users of its ASPIRE software application,” states JDR Solutions President Doug Williams. “ASPIRE is a comprehensive full lease/loan life cycle solution that is both robust and flexible with additional functionality that better enables us to grow and expand upon our current customer base. In bringing together LTi’s signature platform and our best-in-class back office service, we’re offering lessors an exceptional software and service package.”

LTi SVP and CRO, Bryan Hunt, mirrors a similar message with how important the JDR and LTi partnership is. “JDR has a great reputation as a servicing organization in the equipment finance industry. LTi is very excited to collaborate with JDR on delivering a highly configurable servicing platform to both current and future customers.”
