LTI Technology Solutions Congratulates our Monitor Top 100 Customers

OMAHA, Neb., (September 2, 2020) – LTI Technology Solutions (LTI), a leading provider in equipment finance software solutions, would like to congratulate our nearly 40 customers who were recently included in the 2020 Monitor 100. Every year, the *Monitor* publishes this exclusive list ranking participants according to categories such as market share, new business originations, portfolio size, and forecasts along with several other key factors.

Dedicated to driving change in equipment finance, LTI strives to build great partnerships with its customers. ASPIRE in the LTICloud gives companies the transparency and flexibility to shift with the needs of their customers and business. ASPIRE's infrastructure is a purpose-built, best-in-class platform. Here are a few words from some of our Monitor Top 100 customers:

Robert Cobleigh, President of Peapack Capital, expressed, "It has been an exciting three years for us at Peapack Capital. Partnering with LTI, and using their ASPIRE platform positions our organization to be in the Monitor 100 for years to come!"

"The partnership with LTI and scalability of the ASPIRE platform has been instrumental to our success at AP Equipment Finance," said Chris Enbom, CEO of AP Equipment Financing.

"ASPIRE's flexibility helps enable KEF to effectively handle the diversity in our portfolio and our partnership with LTI fuels KEF to continually evolve our technology and capabilities," stated Jennifer Martin, SVP, Leasing and Vendor Program Support of Key Equipment Finance. "Both pieces are critical components as we continue to grow our presence on the Monitor 100!"

"Being on the list of Monitor 100 top companies is a significant benchmark in our industry," said Jeff Van Slyke, President and CEO of LTI. "We congratulate all of the organizations who were recently recognized and in particular our customers for this incredible achievement. It is an honor to be the trusted solution provider to these companies. At LTI, we firmly believe our success is derived from our customers' success so we are excited to see such strong representation in the Monitor 100 by LTI customers and look forward to the continued partnership."

The Monitor 100 report is available to purchase from the *Monitor* on their [website](#).

About LTI Technology Solutions

LTI Technology Solutions delivers cutting-edge software and services to equipment finance companies throughout North America and the UK from our Omaha, NE, headquarters. Backed by three decades of experience and expertise, we harness the collective intellect of our diverse team to solve critical business problems for customers every day.
