LTI Technology Solutions Promotes Brett Blankenship to Director of Client Support

March 22, 2021 – LTI Technology Solutions (LTI), a charter member in the industry, providing a lease and loan cloud platform to equipment finance companies, is excited to announce that Brett Blankenship has been promoted to Director of Client Support. Brett will lead the Client Support team, putting together a unified team, working with clients throughout their journey to enable a smooth and successful adoption of the ASPIRE platform.

Brett joined LTI in 2016 and has spent the majority of his career in finance and analytics as well as equipment finance and IT support. Brett's previous positions with LTI have given him a solid understanding of LTI's capabilities, positioning him well for this leadership role in the company. He has served in a variety of roles as he advanced his career at LTI, from Support Analyst, Support Team Lead, Application Support Manager, and now Director of Client Support.

"Brett is a big part of the future of LTI and we are pleased to promote him to Director of Client Support," said Bill Weeks, Senior Vice President and Chief Operating Officer of LTI. "I believe we have some great opportunities that can be realized by sharing best practices. Brett's strategic focus will allow him to leverage his knowledge and experience across the Client Support team to improve client service response times and continue building on LTI's best-in-class client experience."

"Having the opportunity to shape the future of LTI and participate in continuing to provide exceptional support to our clients is a privilege," said Brett Blankenship, Director of Client Support. "Excitement is an understatement when it comes to how I feel about the new role and the potential to enhance our service offerings and overall client impact for an already successful team. I am thrilled about the opportunity to build on our client experience that will serve our clients well into the future."
