LTI Technology Solutions Congratulates Three Newest Certified Lease & Finance Professional (CLFP) Designees on Their Accomplishment

May 20, 2021 – LTI Technology Solutions (LTI), a charter member in the industry, providing a lease and loan cloud platform to equipment and asset-based finance companies, announced that three of LTI's employees recently gained their Certified Lease & Finance Professional (CLFP) Designation. David Hayes, Brock Hansen, and Alex Bryson have achieved their CLFP, the industry's most rigorous designation for lease and finance professionals. The expansion of LTI's three newest CLFP designations exemplifies our commitment to delivering exceptional service that enhances the value of our solutions for our customers.

David Hayes, CLFP, is a Strategic Account Manager for LTI. David has 24 years of experience managing daily activities, strategizing processes, and overseeing operations. He is responsible for ensuring the product strategy at LTI is aligned with our customers' future software needs and growth initiatives.

Brock Hansen, CLFP, is a Customer Implementation Specialist II for LTI. Brock has 10 years of experience implementing and supporting software to improve customers' daily procedures and productivity. He is responsible for providing consultative, implementation, and professional services to new and existing LTI customers.

Alex Bryson, CLFP, is the Implementation Team Lead for LTI. Alex has over 10 years of experience driving the implementation of process improvements. He is responsible for leading the implementation work and ultimately responsible for the overall success of implementations for LTI.

Jeff Van Slyke, President and CEO of LTI, said, "Congratulations, David, Brock, and Alex on their outstanding accomplishment. The CLFP designation is awarded to those who have demonstrated a commitment to the highest ethical and professional standards within the industry. As a customer-centric organization, the newly added designations empower our employees to provide exceptional account management and service to our customers. Well done, team LTI!"
