Robert Taylor of LTI Appointed as New Chair of AFPA Trust

August 29, 2023 – LTI Technology Solutions (LTI), a leading provider in asset finance and leasing software solutions, is pleased to announce that Robert Taylor, Managing Director LTI UK has been appointed the new chair for AFPA Trust.

AFPA Trust is an organization that is supported by individuals in the finance industry and contributes to various charitable sectors within the UK. Robert has been a long time member and previous to his new role, the deputy AFPA chair. He will be taking over duties from the current chair, Adrian Langford.

Robert Taylor, of LTI, said “Stepping into the role of Chair for AFPA Trust is a true honour for me given those that have held the role before and the fantastic events AFPA hosts. AFPA signifies a dedication and deep-rooted commitment by the asset finance community to help driving positive change in the UK. I embrace this opportunity to guide AFPA Trust and our members during my tenure in the Chair, where every occasion and event we host will bring a transformative impact for those organizations we support. I would like to thank Adrian Langford for all his sterling work whilst in the AFPA Chair over the last 3yrs – he has set the bench mark incredibly high and been an incredible mentor and friend to all.”

Randy Haug, Co-Founder and Executive Vice President of LTI, said, “We are happy to announce that Robert Taylor, our UK Managing Director is assuming the role of Chair for the prestigious AFPA Trust. With his leadership and commitment to our organization, Robert is the perfect choice for AFPA Trust and will take them to new heights of success. His vision and LTI’s are aligned, as we support this non-profit organization with sponsorships throughout the year. We have confidence that under his guidance, AFPA Trust will continue to flourish and impact lives through the various charities they support. We wholeheartedly support Robert’s appointment and are excited to see what his impact will be on AFPA Trust’s charities.”

About AFPA Trust

AFPA was formed by the Asset Finance community to raise money for various charities through holding networking events. The AFPA vision is for the industry to come together and give to local communities, and good causes. For more information, visit <https://www.afpatrust.com/about/>.

Over the last decade AFPA Trust have hosted dozens of networking events and have raised almost £400,000 for charity.

About LTi Technology Solutions

LTi Technology Solutions is a global customer-centric, cloud-native, full lifecycle asset based lending finance platform. We support equipment and asset-based finance companies, captives, small ticket, middle market, and independent banks throughout the U.S., UK, and Canada from our Omaha, NE, headquarters. Backed by comprehensive and flexible interfaces, our powerful technology solutions allow for improved efficiencies and decisioning. Our highly configurable platform, ASPIRE, empowers our customers to scale their business by streamlining the transaction lifecycle.
