LTI Hosts 2nd Annual Leadership Live with Propel Finance and Acquis Data Services as Sponsors

September 13, 2023 – LTI Technology Solutions (LTI), a leading provider in asset finance software solutions, is thrilled to announce its 2nd Annual Leadership Live Event. LTI along with key sponsors, Propel Finance and Acquis Data Services are again hosting and organising this special event featuring industry leaders who focus on Environmental, Social and Governance policies (ESG).

Leadership Live 23 – The G of ESG will take place on September 21, 2023 at the prestigious Royal & Overseas League Club in London. The event is designed to foster collaboration, spark new ideas and facilitate meaningful connections, while sharing best practices around the Governance area of Environmental, Social and Governance corporate policies (ESG) and promises to be a transformative experience for all attendees.

Highlights of the event include these thought-provoking speakers:

- Hans Daems, Head of Sustainability at Hitachi will provide his thoughts on the challenges a global manufacturer has around governing its business and supply chains.
- Renowned expert, Ty Francis MBE, a global leader in all things related to Governance policies will deliver a keynote presentation on trends and emerging opportunities within the corporate landscape for leaders looking to implement practical and impactful Governance policies.
- Environmental Sustainability Advocate, Gary Adlen, Founder of Carbon Happy World, will discuss his passion for much needed reduction as part of the panel discussions during the event. Gary is a strong supporter of better managing and reducing carbon emissions globally.

- Compliance and Risk Management expert, Jennifer Bodey, Compliance & Conduct Risk Director at Propel Finance. Jennifer has over 20 years' experience in compliance and risk management roles within the Financial Conduct Authority (FCA) and asset leasing businesses. Jennifer will provide insights into managing ESG principles within a corporate environment and how best to implement policies that will make a difference.
- Panel discussion with Asset Finance leaders and ESG Directors including John Phillipou – Managing Director of SME Finance at Paragon Bank, Lindsay Smart – Head of Sustainability at Triple Point, Hans Daems of Hitachi and Jen Bodey of Propel.

Robert Taylor, UK Managing Director for LTI, said, “This is our 2nd Leadership Live event. Along with our distinguished sponsors, Propel Finance and Acquis Data Services, we are hosting with an incredible group of leaders with the depth of experience to share with those in our industry – both veterans and beginners. Sharing insights and learning from experts such as Hans Daems, Ty Francis, Jennifer Bodey, Lindsay Smart, John Phillipou and Gary Adlen, who we are delighted to have as speakers and panelists. We are excited to share this valuable information all while experiencing the beautiful venue of the Royal and Overseas League.”

About Propel Finance

Propel has a 26-year track record in delivering award-winning flexible & accessible funding solutions to over 45,000 businesses; and has been recognised by the Asset Finance 50 (AF50) rankings in 2023 as the fastest-growing UK asset finance lender. They are small enough to care, deliver a brilliant service to their customers, and big enough to have the expertise and technology to be a leader in SME finance.

About Acquis Data Services

Acquis Data Services Ltd was established in 2022 and has recently announced its intention to launch Acquis Lumia, a register of asset finance borrowing. Developed with the cooperation of lessors from across the industry, Acquis Lumia will assist asset finance providers to identify suspicious or irregular balance-sheet borrowing on a large scale. This provides a clear insight into a customer's lending exposure, alerting the lender to possible fraudulent activity.
