**LTI Technology Solutions Announces Promotion of Jenny Jarose to Vice President**

**April 1, 2024** – LTI Technology Solutions (LTI), a charter member in the equipment finance industry, top tier provider of lease and loan software is pleased to announce the promotion of Jenny Jarose to Vice President Human Resources and Administration. With her extensive background in the industry, Jenny will oversee the comprehensive functions of both the Human Resources and Administration Departments at LTI.

Drawing from years of experience spanning various facets of equipment finance, including recruiting, benefits management, payroll administration, HRIS administration, employee relations, talent development, and software development, Jenny brings a wealth of expertise to her new leadership role.

"Jenny's dedication to nurturing our unique company culture and prioritizing LTI as an exceptional workplace is evident through her many accomplishments," remarked Jeff Van Slyke, President and Chief Executive Officer of LTI. "From orchestrating a successful transition to a self-funded healthcare plan to enhancing our benefits package, Jenny has consistently demonstrated her commitment to advancing our organization and fostering an environment where staff retention and tenure rates set the industry standard."

Expressing gratitude for the promotion, Jenny remarked, "I am honored by the confidence and trust LTI has in me, and I am steadfast in my commitment to leading the people-centric aspects of our organization with integrity, empathy, and innovation."

"At LTI, we recognize that our people are our most valuable asset. Our ongoing mission is to cultivate a culture of integrity, growth, inclusivity, and excellence, where every member of our team can flourish both personally and professionally. Through collaborative efforts across the organization and with our client partners, we will continue to drive meaningful change and propel our employees and our company to unprecedented heights," continued Jarose.

In commemoration of its 35th anniversary milestone in 2024, LTI shared the cornerstone of its long-standing success: a strategic foundation anchored on three fundamental pillars—its people, client partnerships, and innovative products. For 35 years, LTI has remained steadfast in its dedication to nurturing a skilled team, forging collaborative alliances with clients as trusted business allies, and pioneering cutting-edge solutions to address real-life business challenges. This unwavering commitment to excellence is what defines the #LTIDIFFERENCE.

**About LTi Technology Solutions**

LTi Technology Solutions delivers a full lifecycle leasing and loan finance platform to equipment finance companies, captives, small ticket, middle market and independent banks throughout the US, UK and Canada from their Omaha, NE headquarters. Backed by comprehensive and integrated interfaces, their powerful technology solutions allow for improved efficiencies and decisioning.
