April 11, 2024 – LTI Technology Solutions, a charter member in the equipment finance industry, is proud to announce its sponsorship of the **AFC Asset Finance Provider of the Year Award** at the upcoming **2024 AFC Summer Awards**. This prestigious award honors a leading consumer asset and/or business asset finance provider operating in the UK and/or Europe, demonstrating exceptional value to its customers, industry partners, workforce, investors, and broader communities and environments.

The 2024 AFC Summer Awards will focus on People, Planet and Profit – with a particular emphasis on people and excellence in ESG. There are 15 awards in total, grouped into four categories: Community, People, Personal Achievement and Planet. The awards are assessed and voted on by an independent panel of industry experts, and are designed to showcase the very best in asset finance, and to acknowledge organizations and leaders who have committed to making real change.

Celebrating excellence across the asset, and equipment finance industries, the AFC Summer Awards are scheduled to take place on July 9, 2024, at City Central, located within the grounds of the Honourable Artillery Company in London. The AFC Asset Finance Provider of the Year Award recognizes an organization that exemplifies strong financial success and delivers outstanding outcomes for its customers.
