**LTI Technology Solutions Promotes Lisa Holland to Vice President of Finance & Accounting, Strengthening Financial Strategy for Continued Growth**

**[OMAHA, NE, October 14, 2025]** – LTI Technology Solutions (LTI), a global leader in equipment finance software, is pleased to announce the promotion of Lisa Holland to Vice President of Finance & Accounting. In this expanded leadership role, Holland will oversee all aspects of the company's financial strategy, planning, and analysis, helping to guide LTI's continued growth, profitability, and expansion across North America and the UK.

Since joining LTI more than five years ago, Holland has demonstrated exceptional leadership, deep financial expertise, and an unwavering commitment to operational excellence. During her tenure, she has led significant advancements in streamlining core financial operations, enhancing forecasting and reporting capabilities, and delivering data-driven insights that have helped shape corporate decision-making and long-term business priorities. Her efforts have built a more agile, efficient finance organization that directly supports LTI's mission to deliver innovative technology that transforms the equipment finance industry.

"Lisa's promotion is a direct reflection of the measurable impact she's had on LTI's business," said Jeff Van Slyke, President & CEO of LTI Technology Solutions. "Her leadership has strengthened how we operate by optimizing financial systems and enhancing predictive analytics to deliver insights that guide smarter strategic decisions. The initiatives she's led have improved efficiency, increased profitability, and built a financial foundation that positions LTI for sustained growth. Under her leadership, our finance organization will continue to be a powerful catalyst for our future."

As Vice President, Holland will continue to work closely with LTI's executive leadership team to align financial strategy with business innovation, enabling LTI to scale operations, deepen client partnership, and deliver measurable value in an evolving market.

"I am honored to step into this expanded role at LTI and continue contributing to LTI's growth and long-term success," said Lisa Holland, VP of Finance & Accounting. "Finance plays a critical

role in how we innovate and deliver for our clients. My focus remains on building financial strategies that enable smarter decisions, generating insights that fuel performance, and fostering collaboration across teams to ensure we are driving impact at every level of the business.”

Holland’s promotion reflects LTI’s continued investment in leadership excellence and its commitment to building a highly experienced executive team that can guide the company through its next phase of innovation and market leadership. As the equipment finance industry continues to evolve, LTI’s strong financial stewardship and strategic vision will remain key to delivering technology solutions that enable clients to scale, adapt, and grow with confidence.

### **About LTI Technology Solutions**

For more than 35 years, LTI Technology Solutions has been a trusted partner delivering full lifecycle lease and loan finance solutions for equipment finance companies, captives, independents, and banks across the U.S., UK, and Canada.
