**LTI's Lisa Holland Named to Monitor's 2025
"Top 50 Women in Equipment Finance" List**

[OMAHA, NE, November 19, 2025] – [LTI Technology Solutions \(LTI\)](#), a leading provider of software solutions for the equipment finance and asset-based lending industry, proudly announces that [Lisa Holland](#), Vice President of Finance and Accounting, has been recognized by [Monitor](#) as one of the [Top 50 Women in Equipment Finance](#) in its prestigious [year-end 2025 issue](#).

The annual [Top 50 Women in Equipment Finance list](#), now in its **7th** year, celebrates women who are driving transformation, fostering innovation, and shaping the future of the equipment finance industry through leadership, mentorship, and impact. Holland's inclusion underscores her instrumental role in advancing financial strategy, operational excellence, and organizational growth at LTI.

Strategic Leadership Rooted in Insight and Integrity

Since joining [LTI Technology Solutions](#) in 2020, Holland has led transformative initiatives that have redefined how finance operates within the organization. She spearheaded the development of [automated forecasting models, data-driven reporting systems, and real-time KPI dashboards](#) that enable the company to make faster, more informed strategic decisions.

Holland's ability to distill complex financial data into actionable insights has not only optimized LTI's financial performance but has also influenced key decisions across product development, customer engagement, and corporate planning. Under her leadership, finance has evolved from a reporting function to a strategic partner that drives innovation, collaboration, and long-term value creation.

"Lisa's leadership has had a measurable impact on LTI's performance and culture," said [Jeff Van Slyke](#), President and CEO of [LTI Technology Solutions](#). "Her ability to connect data, people, and purpose is truly exceptional. She represents the best of LTI: innovative, forward-thinking, and dedicated to empowering others to succeed."

Championing Mentorship and the Next Generation of Leaders

In addition to her financial acumen, Holland is known for her commitment to mentorship and inclusion. She actively cultivates pathways for emerging professionals and believes leadership should be measured not only by outcomes but by the success of those you guide. Her leadership philosophy, “clarity of vision, confidence of decision, and integrity of actions,” has made her a trusted advisor and role model across the organization.

“True leadership is about having the courage to define your own path, the curiosity to solve meaningful problems, and the confidence to turn insight into impact,” said Lisa Holland, Vice President of Finance and Accounting at LTI Technology Solutions. “Trust your perspective, speak with purpose, and let your decisions create opportunities for yourself and others.”

About the Monitor Top 50 Women In Equipment Finance
