LTi Names Trevor Peterson Senior Vice President of Worldwide Sales

OMAHA, NE, September 28, 2026 – [LTi Technology Solutions \(LTi\)](#), a leading provider of lifecycle software solutions for the equipment finance industry, today announced that Trevor Peterson has joined the company as Senior Vice President of Worldwide Sales. Peterson will lead commercial execution across LTi as the company enters its next phase of growth.

"Trevor is the right leader for this next chapter at LTi," said Jeff Van Slyke, President and CEO of LTi. "He has a wealth of experience selling into the Fintech space and a proven track record of success in shaping high performing sales teams that are disciplined and focused on creating value for their customers. I am excited to welcome Trevor to the team at LTi and am confident he will be a key driver behind unlocking our growth potential while deepening the partnerships we have with our customers."

Reporting to Van Slyke, Peterson will oversee the Sales and Account Management teams. He will focus on driving new logo growth, expanding LTi's footprint with existing customers, and putting in place the sales processes and team structure to support the company's growth. He also joins LTi's executive leadership team.

"I'm thrilled to join LTi at such a pivotal moment," said Peterson. "What drew me here was the alignment across the organization — a platform customers rely on and a team that takes ownership of outcomes. I'm looking forward to building a sales organization that grows right alongside our customers."

Peterson brings more than 30 years of experience in fintech, payments, and banking technology, with extensive sales and commercial leadership experience and deep expertise serving financial institutions. He has held senior commercial roles at Fiserv, Temenos, and Sesami, with a track record of building high-performing sales organizations and driving significant revenue growth. Most recently, he led business development and go-to-market execution across the Americas, delivering substantial growth in the financial institutions business.
