PACIFIC WESTERN EQUIPMENT FINANCING CHOOSES LEASETEAM'S ASPIRE™ FOR ITS END-TO-END SYSTEM CAPABILITIES

OMAHA, Neb., (September 25, 2013) – LeaseTeam, Inc., the premier solution provider in the equipment and finance marketplace, is pleased to announce that Pacific Western has selected LeaseTeam's ASPIRE solution. ASPIRE is LeaseTeam's cutting edge, true end-to-end lease and loan management solution.

Pacific Western Equipment Finance is a division of Pacific Western Bank, and is part of PacWest Bancorp, a publicly traded bank holding company. Pacific Western Equipment Finance provides equipment finance solutions for businesses in the United States. It focuses on business-essential equipment leases, with transactions primarily in the mid-ticket segment. The company provides working capital financing and equipment leasing. It serves customers in various industries, such as agriculture, aviation, construction, medical and dental, manufacturing, mining, technology, insurance, and private equity.

According to Chris Emery, vice president and CFO at Pacific Western, "Pacific Western selected ASPIRE for its end-to-end processing capabilities. Pacific Western prides itself on offering equipment leasing and financing options that are tailored to meet our client's needs, both now and into the future. ASPIRE's single system solution helps support our goals by improving our data efficiency, offering better reporting options and providing an all-encompassing view of our clients activities within the system."

According to Jeff Van Slyke, vice president of strategy and business development at LeaseTeam, "Pacific Western needed an end-to-end lease/loan management system that would provide them with intelligent workflows and complete system visibility, supporting their desire to offer a well thought out leasing structure to their clients. We're excited to add Pacific Western to our growing list of customers on our ASPIRE end-to-end platform."
