### **QUALITY LEASING AIMS INCREASED EFFICIENCY, SELECTS LEASETEAM**

**OMAHA, Neb., (November 15th, 2016)** LeaseTeam, the trusted leader in lease and loan management solutions for the equipment finance industry, is pleased to announce that Quality Leasing Co., Inc. (Indianapolis, IN) has selected ASPIRE as its end-to-end lease and loan management solution.

“Because of their well-known and respected industry reputation, LeaseTeam and ASPIRE were a natural choice for Quality Leasing,” said G. Paul Fogle, general manager at Quality Leasing. “ASPIRE will help streamline our processes, our marketing efforts, and our performance tracking; improving our overall efficiency. Most importantly, ASPIRE will contribute by shortening the application to close time frame, allowing us to provide a better customer experience—which is our number one priority.”

“We are excited to be working with such an experienced team at Quality Leasing,” said Jeff Van Slyke, president at LeaseTeam. “It is always a pleasure to work with a company whose customer’s mean as much to them as ours do to us. Partnering with innovative companies provides an opportunity for growth for both parties.”
